

*Pensacola Beach and Pensacola, the home of the Blue Angels welcomes the*  
**Hobie 16 North American Championship**  
September 20–25, 2015, Pensacola Yacht Club

Hello Sailors,

The big event is almost upon us! 70+ boats! This could be the largest Hobie 16 North Americans since the Carlton Tucker Memorial event in 1999! You could say it's the biggest Hobie 16s this century!

As you are packing and getting ready to travel, please take a look at the attached site map, so you'll know where to park your car, motor home, boat and trailer. Starting Saturday, we'll have people to help direct traffic, but if you arrive early, please respect the designated areas. We are guests of Pensacola Yacht Club and they've gone out of their way to accommodate us.

Boats will be weighed **mast down**, so unload your boat, put it on wheels, prep it for weighing (**don't forget your corrector weights if you know your boat is light**) and step the mast **after** weighing.

**Don't forget those insurance papers.** You will not be able to sail unless we have them.

If there is a non-sailing person that is joining you for the week, you can purchase a social ticket. For \$80 they get all 3 banquet night dinners. (M, W, F) Also any drinks, munchies, etc that we offer the racers during the week. If they're interested in helping on race committee a minimum of four days, they get this for free (+ lunch every day). **See me at registration / check-in.**

We have some great things donated for the raffle so bring some extra money for your tickets!

The HCA-NA Annual General Meeting will be on Sunday night (August 20) so that we can enjoy the whole week of fun evenings.

All three of the banquets will be at the Pensacola Yacht Club.

Tuesday, we thought we would invade downtown Pensacola. We can check out the cool sites, dinner, dancing, even ice cream. This night will be yours to do what you want. There is a lot to see and do.

Thursday night we have rented a bus that will be taking us over to Key Sailing where we will be hosted by Key Sailing & Pensacola Beach Yacht club with food and drink. Details and price TBA on site.

Make sure all your sailing gear, beach wheels (**especially your beach wheels**), etc. is labeled.

If you have any other questions please let me know. See you soon.

Bridget Quatrone, HCA-NA Event Coordinator 315-427-0382

## 2015 Hobie 16 North American Championships

hosted by Pensacola Yacht Club

Please park only in designated guest areas. After weigh-ins are complete, the Weighing Queue lot and weigh station lot will be available for guest parking during the day only. They are reserved for members only during the evenings.

Registration will be in the PYC Ball Room, located on the north-east corner of the club house. Get your boat weighed **before** going to registration and **before** taking it down to the beach.

Please respect club property and the club dress code. Casual dress is acceptable except for party nights. Shirts and shoes are required inside the clubhouse. Bathing suits are not allowed in the Bar and Dining areas.

Questions? Ask our PYC liaison Dave Oerting (DO) - 850-206-6502
