The location of the racing area will be selected by the Race Committee in the vicinity of the entrance of the West River, between the Rhode River and Parrish Creek. Different classes are likely to sail different courses with different numbers of laps. Multi-hull classes are likely to sail windward-leeward courses; mono-hull classes are more likely to have a jibe mark if conditions warrant.

8. SCORING

- 8.1 The scoring system will be the Low Point Scoring System found in Appendix A of the RSS.
- 8.2 One race is required to be completed to constitute a series.
- 8.3 (a) When fewer than 5 races have been completed, a boat's series score will be the total of her race scores.
- (b) When 5 or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score.

9. RADIO COMMUNICATION

A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones, but does not apply to any communication received or transmitted to request or render assistance to a vessel in distress.

10. PRIZES

Prizes will be awarded to top finishers according to the size of the fleet registered. The Dave Irey Memorial perpetual trophy will be awarded to first place finisher in the class with the largest number of registered competitors. Ties between/among classes will be broken by considering the largest number of finishers in the first race of the regatta, second race of the regatta, and so forth until the tie is broken. If still tied, it will be broken in favor of the first place finisher in the tied classes with the best average race point score excluding any throw-out.

11. DISCLAIMER OF LIABILITY

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race and Registration form. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
