### **Approved for 2015**

#### **1.0 AUTHORITY AND RULES**

- 1.2 The regatta will be governed by the current edition and addenda of the Racing Rules of Sailing 2013-2016 (the RRS) including the prescriptions of the United States Sailing Association; the regatta's Notice of Race (NOR); these Sailing Instructions (SIs); and the regatta's changes or addenda to this SIs.
- 1.3 It is recommended that all yachts as a minimum comply with the current ISAF Offshore Racing Council (ORC) recommendations for Offshore Sailing, including the ORC Special Regulations and US SAILING prescriptions, for a Category 5 Event for all bay races and Category 4 Event for all races with legs outside Pensacola Pass.
- 1.4 Handicaps:
  - 1.4.1 Monohull keelboats shall have a valid PHRF Certificate issued by the GYA-PHRF Rating Committee for PHRF Class entry. Boats without a valid PHRF Certificate may be assigned a rating by the Race Committee.
  - 1.4.2 Multihull boats shall have a valid PHRF Certificate issued by the GYA-PHRF Offshore Multihull Committee, or be a beach cat.

#### **2.0 NOTICES TO COMPETITORS**

Notices to competitors will be posted on the official notice board of the host club.

#### **3.0 CHANGES IN SAILING INSTRUCTIONS**

- 3.1 Changes in these Sailing Instructions may be announced at the skippers' meeting and will be posted on the club's official notice board no later than 20 minutes after the skippers' meeting. Competitors shall be responsible for checking the official notice board for changes.
- 3.2 In the case of a multiple day regatta, any change in the instructions will be posted on the official notice board no later than two hours before the scheduled first start on the day when no skippers' meeting is scheduled.
- 3.3 In the case of an extraordinary event, changes to the sailing instructions may be made orally on the water before a boat's warning signal. The procedure to orally change the sailing instructions is for the RC to state the change on the race's VHF channel and, also via VHF, pole all affected competitors to verify the competitor heard and understood the change. If a competitor can not be reached via VHF; direct verbal communication between the RC and the competitor may be substituted for the radio communications.

#### **4.0 SIGNALS MADE ASHORE**

Flag AP, Answering Pennant, means the race is "Postponed". The time of the warning signal for the first start will be posted on the official notice board before the flag is lowered. This changes RRS Race Signals.

## 5.0 SCHEDULE OF RACE

- 5.1 To comply with RRS J2.1 (3), the race committee will provide, via the particular event NOR & SI, and/or announcement: The classes to race; Starting order; and Time of first starting signal; for the scheduled races.

## 5.2 RADIO COMMUNICATIONS

- 5.2.1 The Race Committee will not respond to transmissions from competitors except to acknowledge retirements, protests, penalties reported, or requests for emergency assistance. The Race Committee intends to use the following VHF Channels for communication: 68, 69, or 72.
- 5.2.2 Race Committee broadcasts concerning its intentions; the course to be sailed, starting times, course changes, etc. are a courtesy only. Failure of the Race Committee to make a broadcast, the timing of a broadcast, or the failure of a boat to hear a broadcast shall not be grounds for redress under RRS 62.1(a).

## 6.0 THE COURSE

- 6.1 Course marks will be displayed, or briefed ashore; or displayed from the race committee signal boat. The RC may also describe the course to be sailed by via NOR, announcement, or amendment to the Sis. See Appendix A for possible courses to be sailed.
- 6.2 Round course marks in the order displayed. The subscript P (port) or S (starboard), when displayed after a mark, indicates the side of the boat on which the mark is to be left as it is passed. Shoal Marks that are described in SI 7.1 shall be passed as required in SI 7.2.
- 6.3 When Fixed, or Government, Marks are used they may be indicated by capital letters keyed to the accompanying lettered chart of the bay (Appendices B & C) or by the appropriate government mark number.
- 6.4 One or more of the following letters (T, W, O, or G) may be displayed from the committee boat to indicate the type of course to be sailed. The number of laps or partial laps to sail may be varied for T (1, 1 1/3, 1 2/3, 2, etc.) and W (1, 1 1/2, 2, 2 1/2, etc.) course configurations. The marks are to be rounded to port unless indicated otherwise. See Appendix A.

T - TRIANGLE

W - WINDWARD AND LEEWARD

O - OLYMPIC (Triangle followed by windward, leeward and windward).

G - GOLD CUP (Triangle followed by windward and leeward).

- 6.5 The symbol indicating a Dropped Mark may be displayed when the course is designated using Fixed Marks:
- 6.6 Original Dropped Marks are Orange. New Dropped Marks, as provided in SI 11, are Yellow.
- 6.7 An approximate compass heading displayed as the first mark of a course means: 'A Dropped Mark is the first mark of the course and it is to be left to Port unless S (Starboard) is given.'
- 6.8 When one of the courses listed in 6.4 is used the letter indicating that course will be shown to the left of the course displayed. Furthermore, all marks are to then be passed on the side indicated for the first Fixed Mark of the 6.4 type courses. If no Fixed Marks are designated for the course then the use of dropped marks is assumed and all rounding marks are to be rounded to port unless indicated otherwise. The leeward mark for the T and W type courses may be the mark at the port end of the starting line.

9.2 Boats whose warning signal has not been made shall keep clear of the starting area and of all boats *Racing*.

9.3 Prior to the warning signal for the first race of the day, each boat shall pass astern of the Race Committee Signal boat displaying, or hailing her sail numbers, and receiving an acknowledgment from the RC.

11.2 When using Dropped Marks:

11.2.1 To change the next leg of the course, the RC will lay a new dropped mark (or move the finishing line) and remove the original mark as soon as practicable. When in a subsequent change a new dropped mark is replaced, it will be replaced by an original dropped mark.

11.2.2 RRS 33(a) (1) is changed to read: "the approximate compass bearing or"

## 12.0 THE FINISH

## 14.0 PROTESTS

14.1 A protesting boat shall also give oral notice of intent to protest to the finish line committee boat immediately upon finishing; or if she does not finish, at the first reasonable opportunity; and shall provide at that time the sail number or name of the protested boat. This changes RRS 61.1 (a).

14.2.1 Protests shall be written on US SAILING Protest Forms available from, and to be delivered to, the Race Committee (RC)

14.2.2 Protests by a boat about an incident that occurred in the racing area shall be delivered to the RC within one hour of the RC docking. The time of the RC docking will be indicated by one sound signal. This changes RRS 61.3. Docking time will be posted on the official notice board.

14.3 The time and place of protest hearings and the approximate order in which protests will be heard will be posted on the official notice board as soon as possible after the race committee boat has docked which may be after the end of protest time limit. Parties to the protest and witnesses shall remain available at the host club.

14.4 A competitor may be a member of a Protest Committee if all *parties* to the hearing agree that member is not an "*interested party*". This clarifies RRS 63.4.

## 15.0 SCORING
