2015 Drop Mark Courses

NOTE: These courses and prescriptions may be modified by the Event Sailing Instructions for each respective event. See also GSI 5, Courses, for additional course information.

Unless modified by the Event Sailing Instructions, the following diagrams with identifying letters indicate the courses that may be sailed.

Please note that these course diagrams illustrate finish lines with a suggested position of the race committee boat relative to the nearby finish mark. This may not be the case for all finish lines. Under definition of finishing in the Racing Rules of Sailing, the boats shall cross "the finish line from the course side".

Courses and Identification Letters

For courses K and M only:

(1) The start/finish line will be approximately 1/3 to 1/2 of the way up from the leeward mark towards the windward mark.

(2) After starting and until finishing, boats shall not sail through the start/finish line. On legs that do not start or end at the start/finish line, the start and finish marks rank as passing marks. The line may be passed on either side, but both marks of the line shall be passed on the same side.
