FACTS FOUND

1. On the second leeward leg approaching the final mark, FIN 2031 and FRA 2361 were sailing on starboard with FIN 2031 ahead a few boat lengths of FRA 2361 and to windward
2. FIN 2031 entered the zone clear ahead of FRA 2361 and then jybed to port.
3. FRA 2031 continued to sail on starboard towards the mark on the port layline
4. FRA 2361 gybed at about one boat length from the mark and to windward of FIN 2031
5. While rounding the mark FIN 2031 luffed and there was a collision between the jennaker of FRA 2361 and the crew of FIN 2031 that caused the crew to fall overboard.
6. This resulted in damage to the bungee cord of the trapeze on FIN 2031.
