

**AMENDMENT TO SAILING INSTRUCTIONS**

**CYC CLUB CHAMPIONSHIP SERIES**

**RUSS SCHNEIDER REGATTA – CCS#3 – JULY 16, 2016**

**Pursuit Race**

**START:** Start time is scheduled to be 13:05, with the first warning at 13:00. The initial start shall be in accordance with Rule 26. Competitor start times will correspond to their PHRF rating, which is broken down in the “Start Times” table located on page 2 of this document. This modifies rule 26.

All boats must declare to the race committee prior to the race whether they intend to race “non-spinnaker”. All boats shall be assumed to be racing with spinnaker unless declared otherwise. For those boats declared racing non-spinnaker, they shall adjust their starting time by adding 3 seconds to their PHRF rating and starting at the adjusted time in the Start Times table. (e.g. a yacht rating 150 and sailing non-spinnaker shall “adjust” their rating to 153 and be entitled to start at 13:25:00)

Hour and minute may be announced periodically on VHF 71 by the Race Committee. Any boat that crosses the start line within the 1 minute period prior to their designated start time will be considered started and will incur a 5 minute penalty for being over early. There will be no signal or announcement made by the Race Committee for any boats that are over early within the 1 minute period. This modifies rules 29.1.

**COURSES:** All marks listed between Start and Finish are rounding marks and shall be left on the side indicated.
