

2016 Lido 14 Class Championship

Measurer's Check List

Skipper's Name _____

Boat Number _____

This measurement check sheet must be completed no earlier than June 1, 2016.

Your signed off "Measurer's Check List" must be presented at the on-site registration to complete your entry process.

Each Lido entry at the 2016 Lido Class Championships shall have their local or certified measurer check the following boat measurements on this form and weigh the boat for compliance with class rules.

If the boat needs to carry corrector weights, please specify the amount to be carried.

Please check the following:

____ Centerboard and all Centerboard Measurements are in compliance.

____ Sails to be used have been measured & stamped (Prior to arrival at the regatta).

____ Boat weight is _____ (310 pounds minimum).

If the boat is underweight, the following amount of corrector weights shall be carried when racing _____.

As a Lido 14 measurer, I certify that this boat is in compliance.

Measurer (print): _____

Signed: _____
