SAIL EAST

A stylized blue line-art illustration of a sailboat's sail and hull, positioned to the right of the main title.

To all Sail East participants,

The Charlottetown Yacht Club is excited to host this year's Sail East Regatta. The Club has made a serious commitment to support our Junior Sailing program; hosting Sail East is just one component of this effort.

I hope that visiting participants and their families will find time to enjoy our vibrant and welcoming city during the next few days. Charlottetown has much to offer all within a short walk of the CYC.

Good luck to all participants. Let's hope for fair winds and good weather.

Steve Murray
Commodore, CYC

A special thank you to the Sail East committee, CYC board, CYC staff and the many CYC club members, race officials and volunteers for their dedication and commitment to the success of Sail East!
