

OPTIMIST FALL REGATTA

Ventura Yacht Club
November 12 & 13, 2016

Coach/spectator boat and trailer launching and storage instructions

While launching and storage for the Optimist boats, their trailers, and dollies will be at the Ventura Yacht Club parking lot, we request that all coach/spectator boats launch and haul at the Ventura Harbor launch ramp in the Northeast corner of the harbor. After launching your coach/spectator boat, trailer storage for the weekend is available in the "Overflow" lot at the corner of Harbor Blvd and Schooner Drive. Trailer parking is free for the weekend in this lot only.

Please pick up a pink "VYC Opti Trailer parking" tag at the VYC office and attach it to your trailer.

Coach/spectator boats may be berthed at the VYC guest dock over the weekend. At the conclusion of the regatta, please haul coach boats at the launch ramp. The VYC hoist will not be available to haul support boats on Sunday. Thank you for your co-operation.
