

LYC 2017 Spring Laser Program

The Lauderdale Yacht Club is proud to announce the opening of registration for the Spring 2017 Session of its Junior Laser Program. The LYC Laser Program has been a huge success offering ocean sailing with two supported teams.

The venue for practices will be the Atlantic Ocean off the coast of Fort Lauderdale. The multiple reefs along with varying wind speeds and direction create an enormous variety of waves and conditions that make it one of the greatest laser venues in North America.

LASER RACE TEAM

The Laser Race Team will begin on January 7th and end on May 7th. Coached by top level instructors Brett Davis, US Sailing Team Member Erik Bowers, past US Sailing Team Member and Sailing Director John Casey, this team will focus on improving skills and strategy. The RT is not a learn to sail program and all interested sailors will need to get prior approval from the sailing director. All sailors must have sufficient dinghy experience to be considered for this team. This program will be supporting 4 regattas during the spring session. They include Lauderdale Olympic Class Regatta, Boomerang Regatta, Laser Midwinters East, and Atlantic Coast Championship in North Carolina. Race Team sailors may also join the Tyro Team for Sarasota SailFest in April. Session fees include practice days and supported regattas. Registration and calendar available on Regatta Network.
