Weekend Junior Training

Spring and Fall training sessions are scheduled several times a month on the weekends. This is primarily designed for beginner and intermediate sailors that want extra practice or skill building. Sessions typically last no more than 3 hrs per group. Instruction is provided by US Sailing Level 1 instructors. Juniors must have completed a basic sailing class that includes a swim check, capsize drill and basic rigging prior to attending.

LLSC Regattas

LLSC offers several opportunities for junior sailors to race. These include junior courses combined with larger regattas such as Reggae Regatta, Halloween Regatta, Jr. Commodores Cup and 4th of July. Juniors are encouraged to participate in as many sailing opportunities as they can. Sportsmanship is *strongly reinforced* in all events.

Junior Family Fun Activities

LLSC offers several junior focused functions that center around sailing at the club. These include: Beach party days (Memorial Day & 4th of July), beach picnics, cruising events, trick or treating on a hay ride, Christmas party and many more. LLSC has a strong social event schedule that is family friendly.

Junior Race Team

LLSC Jr. Racing Team is a prestigious team where the intermediate and advanced sailors qualify for the team. Team shirts are awarded once qualifications met. Application form is available from the director.

Club Owned Optimist and C420 Boats

LL Jr. Sailing Program has 10 C420s used for member check out, training and team racing. Check out is required for member use. 3 club owned Optimist are designed for ENTRY level trainer boats. These boats may be used for training days and chartered for camp weeks. These boats are designed for new members and sailors looking to try it out prior to purchasing own boat.

Adult Sailing Program

Training opportunities for adults are offered with several classes: Adult Sailing 101, Women's Sailing and entry level racing. More information on www.llsc.com.

Volunteer Based Program

We have a strong program because of the parent base of volunteers. All participants are encouraged to lend a hand for work days, teaching, RC duty, and other activities designed to enrich the program. Contact the director for an active list of needs.

501(c) 3 Program

Lake Lanier Jr. Sailing Program is a 501(c)3 program. We accept donations to help support the equipment needs of our junior sailors!

- Late Fee for registration after May 1st \$100
- Member registration starts 3/15, Non-Member 4/1.

Junior Adventure Camp #3 June 12-16 8:30 - 5:00 pm 5 days Monday - Friday

This camp is offered at LLSC to encourage all sailors to enjoy the lake and experience many different types of boats LLSC has to offer. The focus will be safe and fun on the water while sailing to destinations (ie: Aqualand for ice cream, islands for lunch, etc) using many boats (ie: Stand Up Paddleboards, Kayaks, Optimist, C420s, Flying Scots, and rides on keel boats). The goal is to be safe on the water while enjoying the sport of sailing. Juniors will be grouped by ages in different types of boats.

Adventure Sailing Camp ages 7-16

Boats Provided

Camp fees: \$350 member / \$400 non member
Total space limited to 25

Other Camp Information:

- Campers provide own lunch, snack is provided in afternoon.
- Class runs from 9am - 4pm
- Water bottle, lifejacket, Sunscreen, water shoes (closed toe), towel & change of clothes required.
- All campers must pass a 'swim check' with a lifejacket and be able to tread water.
- Friday conclusion for fun awards, 3pm. See-n-sail photo opportunity at 2pm.
- Late Fee for registration after May 30th \$50
- Member registration starts 3/15, Non-Member 4/1.

Custom Camp Options

If you have a group of 8-16 juniors between the ages of 7 and 16 who would like to participate in camp at LLSC, custom camps are offered. Typically 3-5 days doing a combination of learn to sail, learn to race with adventure sailing included. This is a great way to include your friends, scout troops, school friends or family in a rewarding sailing experience at Lake Lanier Sailing Club. Contact the Waterfront Director to find out more about this option.

- Adventure Sailing
- Learn to Sail
- Scout Merit Badges
- Family Sailing Classes
- Safe Powerboating Classes
- Learn to Race
