## 16 Format of Racing and Scoring

- 16.1 **80 Boats or less:** With 80 boats or less, the competitors will sail in single fleet.
- 16.2 **More than 80 Boats:** With more than 80 boats, the competitors may be divided into two fleets in two series. In this case, the regatta will consist of a qualifying series and a final series.
- 16.2.1 Qualifying Series:**
- 16.2.1.1 Boats will be assigned to Green and Red fleets of, as nearly as possible, equal size and ability.
- 16.2.1.2 Initial assignments will be made by a seeding committee appointed by the Organizing Authority. Those assignments will be posted no later than 0900 hrs. on the day of the first scheduled race.
- 16.2.1.3 Boats will be reassigned to fleets after each day of racing, except if on the first day fewer than 2 races are completed by all fleets. If all fleets have

completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If the fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races that both fleets have completed.

The fleet assignments will be made as follows:

<u>Rank in series</u>	<u>fleet assignment</u>
First	Red
Second	Green
Third	Green
Fourth	Red
Fifth	Red
Sixth	Green
and so on ...	

16.2.1.4 Assignments may be based on the ranking available at 2359 hrs. that day, regardless of protests or requests for redress not yet decided.

16.2.1.5 A minimum of six (6) races are to be completed to constitute the Qualifying series. If six (6) are not completed, the Qualifying series will be extended to complete them.

### **16.2.2 Final Series:**

16.2.2.1 A final series will be scheduled to start the day after the 6<sup>th</sup> qualifying series race has been completed.

16.2.2.2 Boats will be assigned to the Gold and Silver fleets on the basis of their ranks in the qualifying Series. There will be the same number of fleets in the Final Series as there were in the Qualifying Series. Boats with the best qualifying-series ranks will race in all final series races in the Gold fleet and so on.

16.2.2.3 Any recalculation of qualifying series ranking after boats have been assigned to Final Series will not affect assignments except that a redress decision may promote a boat to a higher fleet.

### **16.3 Scoring**

16.3.1 Three (3) races are required to be completed to constitute a Championship.

16.3.2 The practice race will not be included in scores.

16.3.3 When there is a qualification and final series, the scoring system will include both results.

16.3.4 Rule A4.2 is changed so that the scores are based on the number of boats assigned to the largest fleet.

### **16.3.5 Single Fleet**

16.3.5.1 When fewer than six (6) races have been completed, a boat's series score will be the total of her race scores

16.3.5.2 When six (6) or more races have been completed, a boat's score will be the total of her races scored excluding her worst score.

16.3.5.3 When twelve (12) or more races have been completed, a boat's score will be the total of her races scored excluding two (2) of her worst scores.

### **16.3.6 Qualifying Series:**

16.3.6.1 When fewer than six (6) qualification races have been completed, a boat's qualification series score will be the total of her race scores.

16.3.6.2 When six (6) or more qualification races have been completed, a boat's final score will be the total of her final races scored excluding her worst score.

16.3.6.3 After the qualification series is completed, competitors will be divided into Gold Fleet and Silver Fleet. In the case of an odd number of entries, Gold Fleet will gather one more competitor than Silver Fleet.

### **16.3.7 Final series:**

16.3.7.1 Each (Gold/Silver) Final Series fleet will be scored separately. Different final series fleets do not need to complete the same number of final races.

16.3.7.2 The boats in the Gold fleet will be ranked over Silver fleet.

16.3.7.3 When fewer than six (6) final races have been completed, a boat's final score will be the total of her final race scored, added to her qualification series score.

16.3.7.4 When six (6) or more final races have been completed, a boat's final score will be the total of her final races scored excluding her worst score, added to her qualification series score.

16.3.7.5 To establish the final results, Gold Fleet competitors will be scored higher than Silver Fleet competitors. In case of no final series, the final result will be based upon the qualification results only.
