**ADDENDUM TO NOTICE OF RACE
J/24 CLASS ONLY**

The Notice of Race for the J/24 Class Only shall be amended as follows. Where there is conflict between the Notice of Race and this addendum, this addendum shall govern.

- This is the **Fifth** Circuit Stop of the 2017 J/24 Texas Circuit.
- The regatta is also governed by the Notice of Circuit for the 2017 J/24 Texas Circuit and the current International J/24 Class Rules.
- The regatta is open to all J/24 boats as defined by the IJCA and whose entries are accepted by the organizer. Helmspersons must be full members of a NJCA or the IJCA. Competitors must meet all ownership and class membership requirements, complete all requirements set forth in the Notice of Circuit and pay all required registration fees to become official participants. The Notice of Circuit is located at www.j24texas.com. If there are co-drivers, then one of them shall be designated as the primary driver for Worlds qualification purposes.
- Races will be sailed on windward/leeward courses or variations thereof. Offset weather marks and leeward gates may be used.
- The regatta will consist of as many as six (6) races over two (2) consecutive days. Three (3) races must be completed to count towards the overall 2017 J/24 Texas Circuit series scores. No race scores will be excluded from a boat's regatta score. This modifies RRS A2. The scoring penalty as provided by RRS 44.3 and as modified by the sailing instructions will apply.
- All boats are subject to inspection and measurement at any time during the regatta. Pursuant to Class Rule A.9.1, the mainsail, 150% genoa and spinnaker must all have the same sail numbers as their J/24 yacht hull number. Any yacht whose sails do not match their hull number may race in the regatta with the prior approval of the District 14 Governor or designated Texas Circuit Representative.
- In accordance with Class Rule A.11.1, all yachts must have a current, valid Measurement Certificate. Any yacht without a Measurement Certificate should contact a class measurer or the District 14 Governor to arrange for yacht measurement in order to obtain a Measurement Certificate. Any yacht without a Measurement Certificate may race in the regatta with the prior approval of the District 14 Governor. This changes Class Rule A.11.2. No formal provisions for boat measurement will be available at the regatta.
- All boats must carry aboard while racing the yacht's current measurement certificate (unless waived) and completed *Inventory of Required and Optional Equipment* per Class Rule B.3. The *Inventory of Required and Optional Equipment* is the sole responsibility of each owner or helmsperson and does not require a class measurer to complete.

- All competitors will be subject to crew requirements pursuant to Class Rule C.2.1. Scales will be provided at registration for weighing all crew members.
