Discover Sailing Weekend 2018

LNYC will host our Discover Sailing Weekend 2018 on 19-20 May 2018 at the LNYC Clubhouse off Yacht Road in Mooresville. It is an opportunity for interested folks to get a solid foundation of sailing knowledge and practical, on the water experience.

The weekend will use the book “Start Sailing Right” as our text, and include powerpoint and practical demonstrations. We will utilize a variety of sailboat types from small centerboard boats to larger keelboat cruisers for our on the water sessions.

Space is limited, so please go to LNYC.ORG and click on the “I’m interested” button on Discover Sailing section to get more information, see Regatta Network or contact capndar@cs.com.
