

# Lakewood Yacht Club and Storm Trysail Foundation Safety-at-Sea Seminar

**Certified by US Sailing**  
**Lakewood Yacht Club, Seabrook, TX**  
**April 14, 2018**

## **The most safety-at-sea training you can get in one day!**

Lakewood Yacht Club and Storm Trysail Club announce their first US Sailing certified Offshore Safety-at-Sea Seminar. The one day seminar on April 14th 2018 is offered with the support of Houston Yacht Club and Galveston Bay Cruising Association and will be hosted by Lakewood Yacht Club.

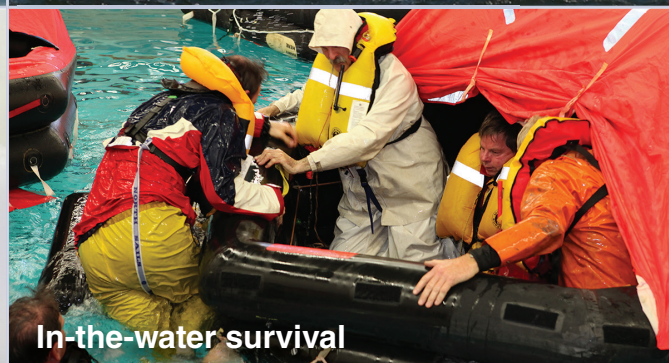

Flares and pyrotechnics

Storm sails and man overboard

Shipboard fire fighting

In-the-water survival

Two tracks are offered: a US Sailing Offshore Certificate track limited to 80 participants and a World Sailing (Hands-on) Offshore Certificate track limited to 40 individuals. The Hands-on track will include practical applications of MOB recovery, storm sails, pyrotechnics, fire fighting, in-water survival, and life raft exercises; the same subjects covered ashore in the US Sailing track.
