- **Schedule**

Pre-race training & daily debriefs

Opening Ceremony

3 days of course racing

Friday dinner

Saturday dinner with entertainment

Sunday awards ceremony

# Sail Canada Women's Keelboat Championships 2018

The Women's Keelboat Championship draws competitors from across Canada. Hosted annually, and rotating through the western, central, and eastern regions, this event returns to Toronto in 2018 after 10 years.

The Shark has a reputation as an outstanding racing boat, challenging for experienced racers, yet approachable for novices.

Designed by George Hinterhoeller in 1959, when he was looking for a boat that would "go like hell when the wind blew". The Shark is the biggest one-design class on the Great Lakes, with more than 2,500 in North America and in Europe.

# Mimico Cruising Club

Established in 1978, Mimico Cruising Club serves approximately 750 members, with docking for 306 sail and power boats, and dry-sail facilities for racing and cruising keelboats.

Mimico Cruising Club is known for our active and strong racing program. The organizing committee and race officials comprise experienced professionals who will ensure a successful event.

Over the years MCC has been a strong supporter of racing at the local, provincial, national and international levels. Weekly club races attract roughly 40 boats and over 200 racers throughout the season, and the club has hosted elite events like the Shark World Cup Championship, the Shark Canadian Championship, the C&C 41 and Alberg 30 North American Championships, and the Ontario Women's Keelboat Championships.
