Sailing Instructions

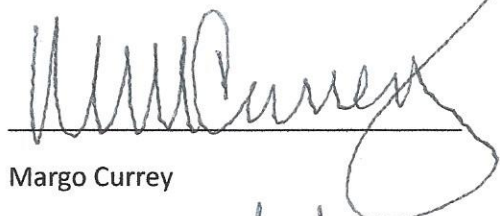

Amendment #2

SI 18.3 is replaced with:

18.3 Failure to comply with any part of instruction 18.2 will result in a boat having a scoring penalty from the RC without a hearing. She shall have 5 points added to her position in her last completed race of that day for the first breach (SVA), 10 points for the second breach (SVB). Additional breaches are subject to protest and disqualification. This changes RRS 63.1, A5 and A11.

SI 19.2 is changed to read:

19.2 Coach and Support Boats that tow competitors and their boats to shore upon completion of races on each day shall tow these boats between the two Safety boats (paragraph 18.2c) in single file at six knots or less. There shall be no passing of other boats within 50 meters of the two Safety boats (18.2c above). This is necessary to ensure recording of all sail numbers for purposes of accountability.
