

Stone Horse Yacht Club Opti Regatta

Parking and Trailer Information

Car Parking

There is no parking in the Stone Horse Yacht Club parking lot the day of the regatta. Car parking is at the top of Harbor Road in the parking lot behind the Christ Episcopal Church. If that lot is full, you can park your car at the town pier.

Powerboat Launching

You may not launch any powerboats from Stone Horse Yacht Club or Harwichport Boat Works within Wychmere Harbor. You may launch a powerboat from the town ramp in Saquatucket Harbor off Route 28. You will be charged a \$10 daily use fee. If you launch a powerboat on this ramp, you may park your trailer in the Saquatucket main lot.

Opti Trailer Unloading

We encourage all clubs to unload your optis the night before the event (Sunday July 15th) after 4pm. Green fleet optis can be stored on the beach (make sure to note the high tide line) and champ fleet should find a space in the sectioned off areas of the parking lot. No optis are allowed to be rigged or kept on the boardwalk down to the beach or the space alongside it. For those of you who cannot unload boats the day before, you will bring your trailer down the morning of and staff will direct you where to unload.

Opti Trailer Parking

We will be parking opti trailers in our parking lot this year, only if the trailers arrive after 4pm Sunday July 15th and before 7:30am Monday morning. After 7:30am, no trailers may be parked in the Stone Horse Yacht Club parking lot. All opti trailers will need to be brought to the public lot/overflow lot AFTER the entrance to Saquatucket Harbor on Route 28 and a \$10 fee will be charged. The public lot is a sandy area directly across from Gorham Road.
