

EDGARTOWN YACHT CLUB
96th Annual Regatta
Chappaquiddick Beach Club Rules

The Edgartown Yacht Club receives special permission each year to use part of the Chappaquiddick Beach Club (CBC) beach for the EYC Annual Regatta. Please note that the CBC is a separate private club with no affiliation with the Edgartown Yacht Club. All sailors, coaches, parents and chaperones are using this facility as guests. This courtesy is extended primarily for boat storage, landing and launching for visiting Junior sailors.

It is of the utmost importance that this relationship and limited use of the CBC beach be maintained, respected and the rules abided to. These rules apply to ALL sailors, coaches, parents and chaperones:

- All use of the CBC should be done in a manner that is least disruptive to the normal day to day activity of the Club and its members;
- Use of the facility is strictly for the storage of boats and related gear during the regatta (Wednesday-Saturday, only). **All boats and equipment must be off the beach no later than 5:00 p.m. on Saturday, July 13, 2019;**
- Boats trailered to Edgartown can bring boats to the CBC beach at the designated access area(s) only. There is no trailer storage at the CBC;
- Access to the CBC facility is limited to the period of launching and landing boats before and after races each day;
- Please no boat repairs are allowed at CBC (**please use the EYC Sailing Center for repairs**)
- **Use of the CBC facility begins at 4:00 p.m. on the Wednesday before racing;**
- At the conclusion of the Regatta (Saturday) all gear and equipment must be removed from the CBC promptly;
- Place boats and gear only in the designated area posted for your club;
- Please do not place any items in the cabañas, other structures or on the walkways;
- Please only use EYC designated trash cans for all trash;
- Please no swimming or lounging on the beach;
- No use of CBC showers or bathroom facilities (**please use the Sailing Center's toilets**);
- Please no pets are allowed at the CBC facility;
- Please do not use CBC furniture;
- Only boats under 26' in length may tie up to the CBC dock. If you are asked to move, please be respectful towards the CBC staff and members. Your failure to comply with these rules could jeopardize the longstanding arrangement that allows EYC Regatta participants to use a portion of the CBC property, so please be respectful of the rules.
Thank you!
