

2019 Harvest Moon Regatta®  
Safety Day Seminar  
Saturday, September 21<sup>st</sup> 8:00am

### Why have this review?

*This review is intended to enhance offshore sailing experience by reducing the risk of serious injury or loss.*

### Responsibilities of Person in Charge

*Racing Rules of Sailing (RRS) 46 and SER 1.2*

*As a boat owner, captain or person in charge, remember that the entire crew relies on you for their safety and for the responsible management of the vessel and its safety gear. You must do more than supply the vessel properly; it is your responsibility to do all you can to ensure that all on board will be safe in any emergency.*
