

Currently the course will be 14.04 miles and will be as follows: A P M F A ==> all marks shall be passed to port The starting times will be based off the slowest handicap boat that is registered. I have this as Phoenix at 177 which will start at noon. Anyone that registers late can use this time as a guideline as to when to start.

Again, since limited race committee personnel are available on Saturday you will need to record your GPS finish times and position. Please submit this to me as soon as possible and will post the results by the end of the weekend. In addition, we will not be doing awards on Saturday evening but will wait to hand out awards for this regatta and also Maxine #2 on March 9th
