By hailing. When?

no

Word(s) used

n/a

By displaying a red flag. When?

n/a

By informing her in some other way. Give details.

n/a

Description of Incident

Description

Nausicaa was observed crossing in front of an upbound tow boat with barge. The commercial vessel had given one long blast "I'm here!" A few moments later, the tow bow signaled five (5) horns, indicating that Nausicaa was not keeping clear and was interfering with the commercial vessel.
