

Non-Spinnaker Fun Race Course

Start will be at 1:45PM with one horn blast from the Race Committee Signal boat.

Note: It is possible that the RC signal boat will be out of hearing range for the Cruisers. Also, Cruiser skippers will use their own judgement whether or not to postpone or cancel their sail due to adverse weather or wind conditions.

Start Line will be the imaginary line that crosses the lake between the Sailing Club and the group of three silos perched on the hill on the West side of the lake (looking WSW across the lake from the Sailing Club dock)

42 54'08"N, 76 24'19"W would be the center point of the imaginary line

Cruisers will head NNW to Village end of Lake to the imaginary line crossing the lake between St. James Episcopal Church and Roosevelt Hall, approximately 2.6 nautical miles one way. Cross this line and return to the finish.

42 56'30"N, 76 25'39"W would be the center point of the imaginary line

Finish Line will be the imaginary line that crosses the lake between the Sailing Club and the group of silos perched on the hill WSW across the lake from the Sailing Club on the west side of the lake. (Same as the Start line)

42 54'08"N, 76 24'19"W would be the center point of the imaginary line

One loop, one race. Skippers self-report to Race Committee Timer, noting time of day that they cross the Finish Line. When able, text or call. If Rhonda Fabrizio is the Timer on race day, call or text her: (315) 406-6168; If Betsy Sio: 315-730-3805

Fun-Races will not be scored but notable performances may be recognized during the post-race social hour and/or on social media.
