

Race # 3

Notice to Competitors # 1

There is a USODA Optimist qualifier for team USA in the vicinity of our planned course for this race. For safety purposes, we are changing the course for this race as described below.

Amend the series Sailing Instructions as follows:

Replace Sailing Instruction 4.2 with:

4.2 Leave MDR S Mark to port. Proceed to the yellow inflatable offset mark, located south of the Marina del Rey detached breakwater (at approximately 33° 57.352' N 118° 27.582' W), leaving the mark to port. The R/C will attempt to have a strobe on this mark. When 10 boat lengths from this mark, hail the R/C on VHF 68 and inform them of your sail number. Proceed to instruction 6.1.

Replace Sailing Instruction 5.1 with:

5.1 The starting area will be in the vicinity of MDR S Mark (see MDR Course Chart 17).
