**A BIT OF HISTORY BY WOODY**

Jimmy Rogers spoke many times about forming a yacht club made up of friends around Harbor Island. In the spring and summer of 1993, Jimmy Rogers and several of his friends began to promote the organizational phase of forming a yacht club. While on a business trip to Nebraska Jimmy Rogers fell ill and passed away, never getting to see the club as a reality.

On January 25, 1994 the club had its first "Founders Organizational Meeting". The eight founding members of Point Loma Yacht Club in attendance were Susan McGuire, Woody and Linda Wood, Mike and Martha Slusser, Lisa Paulis, John McGuire, and Jay Pogas. One of the first things the group agreed upon was the need to honor the memory of Jimmy Rogers.

Point Loma Yacht Club's annual Jimmy Rogers Memorial Race honors the man who cared enough to push the rest of us into creating the Club. The race is a "Fun" race, mainly for members of PLYC, although all other clubs are welcome to race. Bring your boat out and give it a try, it's a good excuse to get away from the dock. This is the last race in our four race series and also our longest club race.

After the race there will be a Awards Party at Fiddlers Green in Shelter Island Dr. PLYC will host in conjunction with Fiddlers Green a Happy Hour Menu and No Host Bar.
