

# FBYC Closing Day Regatta

Saturday, November 2, 2019

## Changes to the Sailing Instructions

The Class Flag for the starting Sequence will be pennant #5.

If a postponement is required, the RC will announce on VHF Channel 72, just prior to the postponed Warning Signal, the number of minutes that will be added to each boat's starting time.

If a boat is on the course side of the starting line at the time of her start, the RC may attempt to hail the boat verbally or on Channel 72. No individual recall flag, X, will be flown. This changes RRS 29.1.

The PHRF Random Course Handicaps for Spinnaker and Non-Spinnaker Classes will be used for scoring.

Appendix T, referenced in the FBYC Offshore General Sailing Instructions 12.3 will not be used.
