

Good Morning sailors,

Thanks for registering for the West Dennis Invitational. Here are some logistics to review:

**1) Registration:** In an effort to make registration go more smoothly, please do the following today.

**A) Sail #s:** When you registered, you may not have known what it would be for the regatta. You should know now. Please edit your registration to reflect the proper number today.

**B) Divisions:** If you are a C420 sailor who is thinking of switch from one division (C420 or C420 no-spins/no-traps) to the other division, please make that change today.

Below is the link to your registration page. Please take the time and effort to make sure that your registration is complete before arriving.

**C) NO Walk-Ins:** Once again, we will not be accepting walk-ins this year. Remind your friends that registration closed at 1300 on Sunday.

**2) Boat Drop Off:** When you come to West Dennis, head directly to the WD residents' beach parking lot at West Dennis Beach and move to the far end of the parking lot, by the Lighthouse Inn. Do NOT come to the West Dennis YC unless you have a Green Fleet Opti. Boats are welcome to arrive at the Beach **after 1800 (6 pm) Sunday** and at the club on Monday morning. You will be given further instructions when you arrive.

**3) Sailing Instructions:** Sailing Instructions were posted on Regatta Network this morning. There will NOT be any paper copies available at check in.

**4) Coach Boats:** All coach boats need to be registered prior to going on the water. Forms can be found on the Regatta Network site or attached here.

We are looking forward to seeing you in West Dennis Monday.
