Amendment # 1 Posted July 13, 2019

2.8 Green Regatta: All competitors, parents and coaches will refrain from using single use plastic bottles including, but not limited to water or sports drink bottles. Bring reusable bottles with you. Water filling stations will be provided both ashore and afloat. In addition, recycle all appropriate items. Competitors are reminded of rule 55 which states that competitors "shall not intentionally put trash in the water."

7. SAFETY –

7.1 A US Coast Guard approved (Personal Flotation Device (PFD) that depends 100% on foam for flotation that is the appropriate size for the sailor shall be worn, properly fastened, at all times while launching and when sailing, except briefly when adding or removing clothing. Each competitor is urged to have a whistle attached to their PFD. Failure to comply with this rule may result in disqualification. **This changes RRS 40.**

7.2 A boat retiring from a race shall notify a Race Committee vessel before leaving the course, or when that is impossible, at Silvershell Beach immediately after arrival ashore.

7.3 An adult (parent, guardian or designated adult) is responsible for the safety of each sailor. It is the responsibility solely of this adult to decide if the sailor should sail in the weather and sea conditions that might arise during the event. The adults supervising the competitors are ultimately responsible for the risks. Parents not personally attending the event must ensure that another adult is authorized and designated to make these decisions for their sailor and each competitor shall indicate in writing the parent or adult representative that shall be responsible for the competitor throughout the event. The designated adult will accept full responsibility for all

actions of the competitor during any activity related to the event. This includes on-shore activities before, during, and after the Regatta.

7.4 Opti Green competitors must have an associated coach boat and coach in attendance on the race course.
