HOUSING INFORMATION

- RENTALS

- Seaside Park is a popular summer resort town with one of the best ocean beaches on the east coast. Many summer rental homes are available at a wide range of prices. Weekly rentals typically run Saturday to Saturday. This option is great for those looking for more comfort or to spend a little more time in town to take advantage of the beach and nearby amusement parks. Most bookings can be arranged very easily online. Please be aware though that the regatta is being held during peak summer season, so demand is high for such rentals. Make your arrangements EARLY. Two very active and reliable local realtors are listed here:

- **Villano Realtors** <http://www.villanorealtors.com/> 732-793-4663
(Owner Sherri Villano is an SPYC member)
- **Appleby Realty** <http://www.applebyrealty.com/> 732-793-6074

- MOTELS

- The closest motel is the Windjammer Motor Inn, located literally one block away from SPYC. This is a great option since it's in such easy walking distance. There is a bar, a restaurant and an outdoor pool on site, and a liquor store and other shops in the next block too. The ocean beach is one block to the east. SPYC one block to the west. **Be sure to mention Seaside Park Yacht Club when reserving.**
