

**Lake Lanier Sailing Club**  
**Amendments to 2019 Halloween Regatta Notice of Race – Junior Regatta**

***The 2019 Halloween Regatta Notice of Race is hereby amended as follows regarding junior events.***

Junior Racing:

This regatta is open to all junior sailors who have yet to reach their 19<sup>th</sup> birthday. The 2019 Halloween Regatta will also double as the 2019 Jr. Commodore's Cup for LLSC Junior Sailors. This is a club perpetual trophy and will be awarded accordingly by the deed of gift (awarded to active club members ONLY). Racing is Saturday only, but everyone is invited to participate in the trick or treating, costume contest, dinner and party to follow.

Fleets offered are:

**C420.** All sailors will race *either* Spin or non-Spin, to be determined by Race Committee after evaluating age and experience of the registered participants and sailing conditions on race day.

**Laser.** Lasers *may be* split into two fleets, either Full and Radial fleets or Radial and 4.7 fleets, as determined by Race Committee after evaluating age and experience of the registered participants and sailing conditions on race day. Race Committee may determine that Junior Lasers will race with the adult Laser fleet, but will be scored separately. Junior Laser regatta will be a one day regatta, but Juniors are welcome to race with the Laser fleet on Sunday as well.

**Opti.** There will be Silver (beginner and intermediate) and Gold (advanced) fleets. Awards will be given for each fleet. The top overall Opti sailor will be awarded the Commodore's Cup. There will be no separate Green Fleet.

Coaching of Opti Silver Fleet sailors will likely be allowed as determined by Race Committee after evaluating age and experience of the registered participants and sailing conditions on race day. 420, Lasers, Opti Gold fleets will not have coaches on the water during racing. Support boats are allowed for parents and spectators, but please limit the guidance for the integrity of the Jr Commodore Cup.

All junior racing (except for Lasers) will be on a separate course from the main regatta

### **Junior Schedule**

Sat, Oct 26
