Dear SCYA Midwinter Regatta Participants:

Welcome, thank you for being part of SCYA's 91st Midwinter Regatta, which is the largest regatta in the nation encompassing 26 hosted venues participating in two weekends with over 600 competing boats and more than 2,500 sailors. This year's Midwinter Regatta promises to be one of the best with the expected addition of invited classes, including one-design, PHRF, Cruisers, Multi-hulls, dinghies, remote control model boats, Predicted Log, RS-Tera and various sponsors, which will only enhance the boating and racing experience to all those involved.

Online Registration on SCYA's website: For Midwinter 2020, we offer online registration at www.scyamidwinterregatta.org for all host club venues. Simply click on "2020 Regatta Information" which takes you to a list of the host club venues. Click on the venue of your choice, fill out the registration form and complete your entry using the online payment feature. Your selected host club will have access to your registration data. Check back with your host club via its site on www.scyamidwinterregatta.org for sailing instructions, all other race documents and results. **For paper entries, please mail the Entry Form which follows to SCYA or directly to your host club along with your check made payable to "SCYA".**

The 2020 Midwinter Regatta is being run once again on two different weekends, the first being the 8th and the 9th and the second will be the 15th and the 16th of February. This allows the various clubs to pick the best dates to increase participation in their invited classes, to add classes to their schedule and allow the best racers of different classes to participate in multiple races over the two weekends. This year, race participation will be enhanced by the addition of our disabled sailors racing alongside able-bodied sailors in various races and in certain of our venues.

Funds generated by this event help support SCYA in their continuing contributions to our racing community in the Southwest corner of our great nation. Facilitating member club communications, sponsoring a variety of boat safety seminars, club management training, honor and service awards and much more.

We look forward to meeting most of you as we embark on this journey to make this one of the best Midwinter Regattas in recent years. Should you need any additional information, please access our Website at www.scyamidwinterregatta.org.

We truly wish you all the best time on and off the water as you pursue great racing, making new friends and having fun in the various yacht clubs your class of boats may be racing. I can always be reached at the below email address and phone number should you have any questions or concerns. Once again it is a pleasure to have you participating.

Sincerely,

Kathy St. Amant
