

2020 Spring Regatta

May 30-31, 2020

On behalf of the Lake Yosemite Sailing Association, we would like to invite you to LYSA's 22nd Annual Spring Regatta. This two-day event will consist of a total of five or more races (wind allowing), with three or more races on Saturday and the remainder on Sunday. There will be a Skippers meeting at 9:30 Saturday on the clubhouse patio. The first warning horn will be at 1100 Sat and Sun. Trophies will be presented on Sunday after the last race.

You can find our location by going to our website, <http://www.lakeyosemitesailing.org/>, and clicking on "About Us".

The scoring will be the low point system. All races will be sailed under current U.S. Racing Rules of Sailing and the Sailing Instructions. This Regatta is open to centerboards, keelboats, and sportboats. Non one design keel will race under NorCal PHRF time on time and non one design centerboards, and applicable sportboats under Portsmouth D-PN. Five boats or more will constitute a one design fleet. Fleets will not necessarily receive their own start.

Register online at Regattanetwork.com. Discounts available until April 30th. Skippers may also register on Saturday, May 30th beginning at 9:00 a.m. at the registration table. Course sheets and sailing instructions will be provided in the race packet at the registration table and will be posted on our website and on Regatta Network by May 1.

We have a wide launch ramp with long floating fingers on both sides. There are a limited number of slips for use over the weekend. Inquire at the clubhouse. Boats may be stored on trailers in the parking lot over night.

You may camp in your RV at the club or set up a tent on the Clubhouse lawn. No hookups are available. Security will be provided on Friday and Saturday nights for boats and trailers in the parking lot. A list of motels is available upon request.

Dinner is scheduled for Saturday evening at the Clubhouse. Dinner tickets can be purchased with your pre-registration or at the registration table on Saturday. We strongly encourage pre-registration and it would be greatly appreciated. A Saturday lunch will also be available. Trophies will be based on how many *pre-entries* we get, and it will make it easier on our kitchen crew.
