

2020 Regatta

Courses: Course will be denoted by a numerical placard displayed on the race deck or committee boat at or before your preparatory signal.

Marks: Marks are indicated by inflatable buoys. Mark 4 is the island and it is not marked. Mark locations are approximate. Direction is determined by the letter (p-port or s-starboard) following the number on the course sheet.

Starting: The starting line is between buoy A and B. All boats must maintain a position northeast of the docks until their warning signal. The area west of the docks is restricted to starting boats only. Any boat who's warning signal has not been made shall keep clear of the starting area.
