Welcome to the 2021 US Sailing Multihull Championship, hosted by the Formula Wave Class!

First and foremost, thank you so much for attending this regatta. Without the support of sailors like you, regattas like this couldn't happen, and frankly, the FWC would not exist!

Making an event like this happen is a major undertaking, and it takes a dedicated team to pull it off. A special thank you goes to the Corpus Christi Yacht Club for ensuring we will have quality racing, and to the Surfrider Organization for helping us make this event sustainable and environmentally friendly.

On behalf of the FWC leadership team, we hope you have a great week, and please don't hesitate to find one of us if you need anything. We want this to be a fun experience for you.

Thank you for joining us, and sail fast!

Ben Wells, Chris Wessels & Wendy Rice-Larson

Regatta & Race Committees

Regatta Chairs: Ben Wells, Chris Wessels & Wendy Rice-Larson

Registration: Wendy Rice-Larson, Mary Graves , Lorie Haglund
& Ashley Enders

Media: Ben Wells

Weigh-ins: Bob Everson & Jane Sherrod

Raffle: Eric Dorschner, Jake Larson, & Xander Wessels

International Race Officer: Mark Foster

International Race Judge: Shannon Wood

Host Yacht Club Liaison: Josh Richline

RC Personnel & Boats provided by: Corpus Christi Yacht Club

Surfrider Foundation: Neil McQueen

The Formula Wave Class is proud to partner with the Surfrider Organization to bring a high level of

sustainability to this regatta. We believe that, as sailors, we have a responsibility to keep the beaches and waters that support our sport clean for current and future generations to enjoy.

Our goals include reducing paper and single use plastic, hosting daily beach clean ups, and emphasizing proper waste disposal. Please see the full Sustainability Plan on Regatta Network, or see a FWC team member about this initiative, and thank you for helping us reach our sustainability goals!

The U.S. Multihull Championship for the Hobie Alter Trophy has become one of the nation's major sailing championships, having featured world champions from numerous classes, Olympic medalists and several national champions from the multihull ranks.

The U.S. Multihull Championship was conceived by the Multihull Council in the spring of 1985 as a service to multihull racing sailors. It is intended to determine a U.S. national multihull champion and is sailed annually in various types of multihulls.

The perpetual trophy was presented and named the Alter Trophy in 1986 in honor of Hobie Alter, Sr. and his extraordinary promotion of one-design multihull sailing and racing programs. The U.S. Multihull Championship for the Hobie Alter Trophy has become one of the nation's major sailing championships, having featured world champions from numerous classes, Olympic medalists and several national champions from the multihull ranks.
