

Dinner Guidelines

CGRA understands that many are not ready to venture into restaurants so we've made a conscious decision to offer a catered dinner in order to ensure a safe dining option. We use [Kam & Kam Catering](#), one of the best caterers in Portland and will be serving the traditional CGOD dinner:

Hawaiian Style Pulled Pork
Shoyu Chicken *w/vegetarian option*
Szechaun Noodle Salad
Grilled Pineapple
Tropical Fruit Salad
Garden Green Salad
Jasmine Rice
Berry Crumble Bars & Brownies

- Dinner location is the East Picnic area, 1800 hours (note, the tent will not be set up)
- **Dinner bracelets** (included in your race packet) **must be worn**. Additional dinner bracelets may be purchased in advance via your event registration.
- Hand washing is recommended before you line up for dinner. Wash station located in CGRA lot. Hand wipes or hand sanitizer will be available at the dinner location
- Line up in social groups-distancing as needed.
- Servers will be masked & gloved. There will be a protective plexiglass screen in front of the food.
- Participants can direct server as food is plated
- Plate is handed off at the end of the line
- Please sit in your social group. Picnic tables will be spaced – feel free to move a table if that helps.
- BYO seating is encouraged to allow additional distancing.

Thanks for your cooperation and assisting in providing a fun and safe event
