- 5.3** There is one race scheduled, a single start, and a course that promotes sailing near the shore.

- 6.1** Racing will start at the Red #2 bell buoy at the entrance to Ponce Inlet and will progress towards the northwest passing various points along the shore. The course will proceed from R#2 to a mark located east of Racing's North Turn Restaurant, continuing along the coast passing near the Sunglow Pier, and then near shore at Peck Plaza (large circular building) and continuing to the Main St Pier. Once the helmsman is able to sight along the north side of the pier, a vessel may turn either clockwise, or counterclockwise, and will continue to race back to R#2 for the finish.
- 6.2** Racers will be required to keep track of their times at each of these locations along the way on the Participants Log Sheet, provided as an Appendix to the Sailing Instructions.

7 MARKS

7.1 Marks are approximately 72"x 60" orange or yellow inflatable marks. If marks are not present along the racecourse then racers must pass on the shore side of the waypoints provided in section 7.2.

8 AREAS THAT ARE OBSTRUCTIONS

8.1 There are no areas that are designated as obstructions unless amended by the race committee signal boat.

9 THE START

9.1 The Cruising Class and the Performance Class warning will be at 1055 for the race. If no R/C is present to conduct the start, all signals will be made on VHF channel 72.

10 RECALLS

10.1 Display of code flag "X" and one sound signal shall signal individual recalls. A boat recalled shall be notified by hail and on VHF channel 72 if possible; however, it is the responsibility of any yacht that is OCS to properly clear themselves.

10.2 Display of code flag "I" as the preparatory flag requires a yacht that is OCS within one minute of the start to round an end of the starting line before starting.

11 THE FINISH

11.1 The finish line will be between the R#2 buoy and a line extending due south from the buoy. Finishers are to keep the buoy to starboard (the west) and within 200 feet. A boat finishes when the buoy is at a bearing of due north from the helmsman's position.

12 PENALTY SYSTEM

12.1 The Scoring Penalty, rule 44.3 (RRS), will apply for those boats not exonerating themselves under Rule 44.1. The penalty shall be one (1) percent of a yacht's elapsed time added to her corrected time. This changes Rule 44.3 (c) (RRS). A yacht taking a scoring penalty shall report it to the Race Committee within the protest time limit.

13 TIME LIMITS AND TIME REFERENCE

13.1 Time limits for various segments of the race are provided to systematically shorten the course to allow for a completed race. The time limit for all classes is 1800 (6 pm).

If no boat has made it to the Sunglow Pier by 1430, the boats will turn back to finish at R#2 from here.

If no boat has passed the first mark by 1500, the finish will end at the North Turn.

If no boat has made it to the Sunglow Pier by 1600, then the finish will be at the Sunglow Pier.

If no boat has made it to Peck Plaza by 1600, then the finish will be at Peck Plaza.

If no boat has made it to the Main St. Pier by 1600, then the finish will be at the Pier.

If a boat makes it to the Main St. Pier before 1600, but no boat finishes by 1800, then the times recorded at the Pier will be used to score the finish. If needed, the R/C will use the furthest mark reached by the majority of the fleet to score the race.

13.2 Boats failing to finish by 1800 will be considered DNF.

13.3 The time reference for all boats shall be that which is provided by the National Institute of Standards and Technology time as broadcast by radio station WWV in Fort Collins Colorado. These may be accessed by telephone at 303-499-7111, Internet at <https://time.gov/> or by radio. The station radiates at 10,000

Watts on 5, 10, and 15 MHz; and 2500 Watts on 2.5 and 20 MHz. Each competitor is responsible for calibrating their own clocks.

- 13.4** All boats are strongly encouraged to use the RaceQs smartphone application (<http://raceqs.com/>) to track their boat in the races. This free application will allow competitors to replay the race, with an opportunity to see where they may have performed well, or poorly, with respect to the other boats in the fleet. In addition, since the application uses GPS time to report position and location it can serve as a verification of events on the water, possibly to verify the reported finish time, or interactions between boats in the event of a protest.

14 PROTESTS AND REQUESTS FOR REDRESS

- 14.1** U.S. Sailing [Protest forms](#) are available at HRYC and online. Protests shall be filed on a U.S Sailing Protest Form and be delivered within the protest time limit.
- 14.2** The protest time limit is 1200 on the day after the race. Boats that intend to file a protest must inform the R/C on the water of their intentions. All boats involved in the protest should be contacted by VHF and informed of their involvement by the boat filing the protest.
- 14.3** The same time limit applies to protests by the Race Committee and Protest Committee about incidents they observe in the racing area and to requests for redress. This changes rules 61.3 (RRS) and 62.2 (RRS).
- 14.4** Protests shall be filed in person at HRYC using the standard US Sailing Protest form.
- 14.5** Notices of protests by the Race Committee or Protest Committee will be posted in accordance to rule 2.1 of the Sailing Instructions to inform competitors under rule 61.1(b).
- 14.6** Protest hearings shall be scheduled as soon as possible after boats return to shore. All parties listed on the protest form will be advised of the time of the protest hearing. All protests hearings will be held at HRYC, 331 Beach St., Daytona Beach FL.
- 14.7** A list of boats that, under instruction 14.4, have acknowledged breaking rule 42 or have been disqualified by the Protest Committee will be posted before the protest time limit.
- 14.8** Breaches of instructions 16 and 24 will not be grounds for a protest by a boat. This changes rule 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides.
- 14.9** Decisions of the Protest Committee will be final as provided in rule 64.
- 14.10** All boats shall always carry a US Sailing protest form and a standard protest flag.

15 SCORING

- 15.1** 1. Scoring will be the low point system. There is only one race for this event.

- 15.3** The Race Committee reserves the right to reclassify any boat at its discretion

16 SAFETY REGULATIONS

- 16.1** Check-in: Boats shall sail within hailing distance of the committee boat and state their boat name and sail number and fleet. Check-in by VHF on channel 72 is also allowed.

The Race Chairman or his designate will have final decision over management issues of the race, including, but not limited to whether a boat will be allowed to compete, penalties (except protest – which will be over-seen by the protest committee), scoring, eligibility of yachts to race and time limits.

Despite the schedule to race and despite the Race Committee's decision to race, it is **ALWAYS** the skipper's decision whether he, his vessel and/or his crew should participate in any race. The responsibility of the decision to race and any and all consequences lie **SOLELY** with the skipper, captain or owner/operator of the vessel. **YOU ARE RESPONSIBLE FOR THE SAFETY, HEALTH AND WELFARE OF YOUR VESSEL AND ANYONE ABOARD! Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event.
