NOTICE TO COMPETITORS

2020 BYC Pursuit Series

Notice Date: May 28, 2020

Re: May 30 Race COVID-19 Protocols

For the 1st series race on Saturday, May 30, skippers and crew are requested to observe the following protocols.

Skippers Meeting onboard the Bay Star:

Attendance limited to one representative per boat. We will meet on the main deck. Observe proper social distancing when seating at tables.

Post-Race Awards Ceremony:

To enforce the current group size and social distancing guidelines, there will be no post-race gathering onboard Bay Star. Awards presentation postponed until the June 13 race at which time, barring unforeseen events, awards to winners of Race 1 and Race 2 will be presented. Skippers please advise your crews of this.

Race Results Reporting:

There will be no race committee at the finish line.

Section 7.2 of SI requires finishers to note their own finishing time as well as name of boat immediately ahead and behind. Convey this information to PRO by texting to 361-929-1785 or email to racing@bayyachtclub.org

When results are compiled. PRO will send group email with results.

Crew Health:

Skippers are expected to be aware of crew health conditions. Encourage those who may not be well, who have had any signs of COVID-19 or been in the presence of someone who has, to stay home. Remind crew not to share personal water bottles, food, gear, sunscreen or similar that could spread virus spores. If a crewmember becomes infected after the event, advise them to contact the Nueces County Health Department immediately for their own testing and contact tracing. Please advise the PRO of the situation.

PRO: Jim Robertson. Email: racing@bayyachtclub.org Cell: 361-929-1785
