1 RULES

This is a fun race/series. Don't be too serious. Smile—it's a reason to get out on the water and go around some marks! If you need more details, see The Racing Rules of Sailing (RRS).

Spinnaker and Non-Spinnaker Classes welcome.

Follow all state and parish social distancing rules when traveling to and from your boat and while sailing.

2 COMMUNICATIONS

Listen to VHF 69. Don't forget to charge your radio.

3 ELIGIBILITY AND ENTRY

Anyone who has access to and permission to take out a sailboat.

4 FEES

Free. Consider donating to LPWSA Pink Ribbon Regatta Fund or the Dry Storage Beer Fund.

5 SCHEDULE

Start: Wednesday May 20th with staggered starts beginning @ 6:30pm GPS time. Continues each Wednesday until November 2020, or notified otherwise.

6 THE COURSES

The boats will start at A mark. Leave A mark to port and proceed to J, leaving J and little J to port and thence to finish at A mark, leaving it to port. String Rule applies. (We may have a start boat and/or finish boat. If no starting or finishing line, start/finish within 50 yards of A in a direct line to shore.) Take your own finish time at the finish line and take note of who is behind you and ahead of you. Post your finish time/place on LPWSA Facebook page. Starting times will be published on Regatta Network and LPWSA Facebook page.

7 PENALTY SYSTEM

Don't hit another boat between the time you leave your dock and return to it, no matter who you feel is wrong. If boats have contact, both boats must retire immediately. Yes, that is contact of hulls, sails, sheets, or anything else attached to the boats. **NO CONTACT SPORTS!**

8 SCORING

Low point scoring system applies. The fleets will be split depending on participation.
