

Notice to Competitors #1

Due to a request of a double handed competitor and after surveying the entrants, we are modifying the Rules for this Series.

Replace Rule 1.3 with:

All double handed entries SHALL BE CREWED BY PEOPLE THAT CURRENTLY LIVE UNDER THE SAME ROOF. In order to accommodate families without childcare, a 3rd person that complies with this rule is allowed to be on board during each race. From the warning signal, until the boat finishes, that person shall sit in the companionway area, may not hike, handle lines or give tactical input. Any boat/crew not complying will be disqualified and excluded from the balance of the series. Any person in the crew may be replaced at any time during this series, providing they comply with this rule.

Add to Rule 9:

There will be individual race awards for each class. There will be Division awards for Single and Double Handed classes.

Please continue to monitor the Event Page, as based upon State and local government direction, there may be additional changes.
