6 VENUE

The racing venue will be on the waters of Lake Tahoe with the starting and finishing line near Tahoe City.

7 SCORING

7.1 For the distance race and for handicap boats participating in the buoy racing, races will be scored using the Tahoe PHRF Handicap rating using Time-on-Time scoring as follows:

A boat's corrected time, rounded to the nearest second (.5 rounding up) will be calculated as $(FT - ST) * A / (B + PHRF)$ where FT is her finishing time, ST is her starting time, A is 650, PHRF is her Lake Tahoe PHRF rating and B is determined by the Race Committee as 480 for heavy air, 550 for average conditions, and 600 for very light air.

7.2 Five races are scheduled. One completed race constitutes a regatta.

7.3 Saturday's distance race shall be scored double in determining series scores.

7.4 There will be no excluded scores. This changes A2.1.

8 LAUNCHING AND BERTHING

8.1 Boats berthed overnight at Tahoe City Marina will be required to obtain/sign a mooring agreement with the marina. Email Andrew Casci, General Manager of the TYC gm@tahoeyc.com to make arrangements.

8.2 For boats with retractable or shorter keels, launching will be available at a nominal charge at the Tahoe City Public Utility District launch ramp adjacent to the US Coast Guard station in Lake Forest, near Tahoe City. Trailer storage, at no charge, will be available near the launch ramp.

9 ACQUATIC INVASIVE SPECIES INSPECTION

Boats coming to Lake Tahoe from elsewhere now require hot water wash and inspection for shellfish on their bottoms and in bilges. Several places near the Lake provide this service at a modest fee. Near Tahoe City the most convenient location is at the entry to Alpine Meadows off California Route 89 between Squaw Valley and Tahoe City. For boats without motors, the inspection is required, but the fee may be waived. Owners are cautioned to dry out bilges and all gear before inspection.
