- 1.2 *Appendix V: Alternative Penalties*, will **NOT** apply.
- 1.3 Oral changes to the SIs may be made on the water and announced over VHF 68.
- 1.4 Boats encountering non-racing craft shall conform to [USCG Navigation Rules and Regulations](#). Be advised that no vessel has the "right-of-way" over a large ship in the deep-water channel. RRS 60.2, 63.1 and A5 are modified to add that the R/C may disqualify a yacht infringing this instruction without a hearing.[DP]
- 1.5 Per RRS 42.3(h), competitors may use an engine or other propulsion method to avoid situations in 1.4 provided they gain no significant advantage in the race.
- 1.6 RRS 55 TRASH DISPOSAL is changed to add the following sentence to the rule: 'However, discarding biodegradable bands when setting a sail is permitted.'
- 1.7 RRS 60.2, 63.1, and A5 are modified to allow the race committee to disqualify a boat without a hearing due to not having clearly visible sail numbers or for not following SD County COVID-19 requirements.

3. ENTRIES & CHECK-IN:

- 3.1 All eligible boats will have entered on-line at www.cortezracing.com, no later than **6pm** on Friday, September 11, 2020.
- 3.2 Late entries will only be accepted from CRA members. Late entrants may not check in by radio, but must provide to the R/C, in writing, the owner's name, DOB and zip code, email address, phone number, emergency contact information, names of all persons on board, boat name and type, sail number, class, and RLC rating, to complete their entry. Submission of this information to the RC represents the boat's acceptance of the liability waiver in the registration form and that they agree to be bound by The Racing Rules of Sailing and by all other rules that govern this event, including the SD County Health requirements.
- 3.3 Yachts will have completed their "Check-In" when they check-in with and are acknowledged by the R/C, while clearly displaying their sail number. Check-In will commence when announced over the radio. Visual and radio check-in (VHF 68) are acceptable. All yachts must check-in prior to one minute before the warning signal for their class. No check-in will occur after one minute before or during a starting sequence for any class.

4. CLASSES, CLASS FLAGS AND STARTING ORDER:

- 4.1 No class pennants will be used for this race.

- 5.1 The starting area will be in the vicinity of San Diego Channel Buoy #9.
 5.2 The Starting Line will lie between a staff with an orange flag on the R/C vessel and SD Channel Buoy #9.
 5.3 An inflated distance buoy may be streaming from the R/C vessel and this buoy is considered part of the R/C vessel. For purposes of RRS 31.1 (Touching A Mark), this buoy is to be considered a permanent part of the starting mark. If the Race Committee boat is damaged as a result of a boat breaking a rule, that boat shall pay for the repairs.
 5.4 Yachts whose Class Warning Signals have not been made shall keep clear of the starting area and vessels attempting to start. [DP]
 5.5 All classes will be started in accordance with RRS **Appendix U**, with the following modification of U3: The starting sequence shall consist of the following sound signals made at the indicated times. - 12.3 Notwithstanding any safety requirements, the ultimate safety of a yacht and her crew is the sole and inescapable responsibility of the owner or charterer. He/she must do his/her best to ensure that the yacht is fully sound, thoroughly seaworthy and manned by an experienced crew who are physically fit to face bad weather. He/she must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He/she must ensure that all safety equipment is properly maintained and stowed, and that crewmembers know where it is stowed and how it is used.
