

Amendment to Sailing Instructions, Moffett Race, 2021

Posted 6pm, September 10, 2021

Autopilot use: Autopilots may be used by short-handed boats to facilitate sail handling, navigation and good seamanship. This changes rule 52. They may not be used when a crew member or skipper is otherwise available and capable of steering the boat.

Powered sail trimming: Battery or other power may be used for sail trim, rig adjustment, and autopilot use as permitted above. This changes rule 52
