

Notice to Competitors #5

This Notice to Competitors replaces Notice to Competitors #4 and modifies the Notice of Race

Replace NOR Rule 2.1 with:

A 3rd person (*passenger*) may be aboard a double handed entry. If anyone on-board is from a separate household, all aboard shall wear a mask/shield and practice social distancing from the time they leave the dock, until they return. While racing, a *passenger* shall remain on the center line of the boat and cannot participate in any way in the sailing of the boat.
