

Notice to Competitors #7

Replace Sailing Instruction 3.1 "Class Flags and the Order of Starts" with:
Class Flags and the Order of Starts, dated and posted and emailed 3/5/21

Replace Sailing Instruction 6.1 "The Finish" with:

The finishing line is an extension of the green light on the south end of the MDR Detached Breakwater, extending thru the inflatable mark at approximately 33° 57.352' N 118° 27.582' W. Leave the inflatable mark to port.

Record your finish time when this inflatable mark lines up with the green light on the south end of the MDR Detached Breakwater from your helm position (this modifies the definition of finish).
