Sailing Instructions

1. RULES

- 1.1 The regatta will be governed by the rules as defined in *The Racing Rules of Sailing*.
- 1.2 The organizing authority is the Carlyle Sailing Association on behalf of the United States A Class Cat Association.
- 1.3 The prescriptions of US Sailing will not apply except the US Sailing Prescriptions to RRS 67 and RRS 76.1, which are stated in full below:
 - (RRS 67 – Damages) – US SAILING prescribes that: (a) A boat that retires from a race or accepts a penalty does not by that action alone admit liability for damages. (b) A protest committee shall find facts and make decisions only in compliance with the rules. No protest committee or US SAILING Appeals authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts. (c) A basic purpose of the rules is to prevent contact between boats. By participating in an event governed by the rules, a boat agrees that responsibility for damages arising from any breach of the rules shall be based on fault as determined by application of the rules, and that she shall not be governed by the legal doctrine of “assumption of risk” for monetary damages resulting from contact with other boats.
 - (RRS 76.1 – Exclusion of Boats or Competitors) – US Sailing prescribes that an organizing authority or race committee shall not reject or cancel the entry of a boat or exclude a competitor eligible under the Notice of Race and Sailing Instructions for an arbitrary or capricious reason, or for the reason of race, color, national origin, gender, sexual orientation, or age.
- 1.4 RRS 40 is changed as to the following: Competitors shall wear adequate personal flotation devices while racing, except briefly while changing or adjusting clothing or personal equipment. Flag Y need not be displayed.
- 1.5 RRS 63.6 is changed such that if there is a conflict between the Sailing Instructions (SI) and the Notice of Race (NOR), the SI shall govern.
