Change #3 to SAILING INSTRUCTIONS

COURSES

9.1 The course to be sailed will be determined by weather conditions at the time of a race. The default course is shown in Appendix A. If conditions dictate an alternative course then the course will be designated indicated by a flag "W" for windward leeward, Appendix B or "T" for triangle, Appendix C flown from the aft of the signal boat. No flag will indicate that the default full course is to be sailed. **The course will consist of 1 lap unless otherwise instructed from the signal boat.** Competitors may only sail between the signal boat and the yellow pin used to mark the finish line when finishing.
