Each district governor is responsible for prioritizing loanerboat applicants in their district, based on the individual district qualifying requirements. J/30 owners from the "Other" and "International" categories desiring a loaner boat should notify the J/30 Class President who will determine the priority of loaner boats assignments in those areas and represent them as a combined category assigned at the end of the district round robin. In order to be considered for a loaner boat assignment, an entry form must be completed and regatta registration paid. Should a loaner boat not be available, the registration fee will be refunded. Loaner boat insurance will be provided by the J/30 Class and NOYC via the [US Sailing Burgee program](#). Contact David Erwin (dave@j30.us 504-296-7140) for information on loaner boat assignments.
