Race Course Plan

- Plan to use the WDR2 course
- The final reach to the finish has been changed from a beam reach to a broad reach, as shown in the course diagram.
- Start the fastest classes first to gain separation between the classes
- Only a one minute gap between each start and the following warning signal
- But please stay well away from the starting area until your warning signal.....you can be penalized if you don't

Your Safety is important to us

- Coast Guard Auxiliary monitoring lake traffic, keeping them clear of racing area.
- Additional Safety boat on the water at all times. Race Committee boats that may be used.
- **Reminder:** Fundamental Rule number 1 in the 2021-2024 RRS:

- **Not optional but obligatory.** You can request Redress so that your position in the race is not compromised.
- We are all responsible for safety!

Weather Outlook

- The weekend forecast provides good breezes for racing with no rain or storms forecasted
 - SATURDAY: SW breeze at 10+ knots with gusts to 15, decreasing throughout the afternoon
 - SUNDAY mid-morning: steady SW breeze at 8-12 knots with gusts near 15
 - But Saturday's heat index goes up to 93
 - Please keep yourselves well hydrated! Backup water will be on the Signal Boat
 - Continue to watch the weather developments and react accordingly
- Race Fast, Play by the Rules, and HAVE FUN!
