**General:** There are numerous race courses with one Start/Finish Line. Do not hold back faster boats in a different class attempting to pass. With multiple courses and a variety of boat designs, please be aware of all boats around you.

**Starting:** Please stay clear of the starting area and all boats within their Preparatory Gun. Starting order is found on the white board at the end of the Villa Capri Dock.

**Sailing the Course:** Non-Spinnaker-B, Non-Spinnaker-A, PHRF, J-22, J-24, Catalina 22 and RS21 will sail the course indicated by their course flag and designated number of laps.

**Finishing:** All classes finish between the 'Line' flag and the Finish Mark. When finishing and if others are rounding the finish mark to continue their race, please finish to the outside and get out of the way ASAP. **Do not re-cross the Finish Line after finishing!**
