Pensacola Yacht Club invites all visitors to enjoy the bar and restaurant. Please tell your server that you are a guest of the C22 Nationals, and the server will take your credit card. Our bar is famous. It was recently voted the best yachting bar in the world other than the Caribbean Islands (class of its own). If you have never had a Bushwhacker, you must have one of ours. It sets the standard by which others are judged. You can find Southern Hospitality many places, but our goal is to be the best. Welcome.
